PERSONAL NOTICES.

Illness of Sherwood S. Thompson—Mr. W. S. Phillips—Others Who Are Ill—Rev. Dr. Phillips in Florida—Mr. Parker's Re-employment—Francis Donnelly's Illness—A Wedding To-night—General Notes. The Ex-Alderman Sherwood S. Thompson is confined at his home on York street with a severe attack of sciatic rheumatism. This is Mr. Thompson's first illness in a number of years. His wife, the popular and gifted soprano of this city, has so far recovered from a recent attack of the grip as to resume her position in the various musical circles with which she is connected, and will take part in the concert at the Hyperion on the afternoon of the 23d instant at the celebration of the anniversary of Washington's birthday.

A letter recently received by General E. S. Greeley from Rev. Dr. Phillips of the Church of the Redeemer, who is now in Florida recuperating from a recent severe attack of throat difficulties, states that his health is improving and that he expects to be with his congregation again by the first of April. His wife will soon join Dr. Phillips in Florida and remain there until his return to this city.

E. Dibble, the Grand avenue stove merchant and plumber, ex-president of the Connecticut Plumbers' association. She will be a guest during her stay here at the home of Mrs. S. E. Dibble on Orange street, corner of Edwards street.

How to Save Money and Health.

Most people have some trouble with their health which they would like cured if it could be done easily and cheaply. Dr. Greene of 35 West Fourteenth street, New York city, who is the most successful specialist in curing nervous and chronic diseases, makes the following offer: He gives you the privilege of consulting him, free of charge, through his great system of letter correspondence. Write him just how you feel and what symptoms trouble you. He will answer your letter, explaining your case thoroughly, telling just what ails you and how to get strong and well. He gives the most careful attention to every letter, and makes his explanations so clear that you understand exactly what your complaint is. And for all this you pay nothing. You do not leave your home, and have no doctor's fee to pay. The doctor makes a specialty of treating patients through letter correspondence, and is having wonderful success. He is the discoverer of that celebrated medicine, Dr. Greene's Nervura blood and nerve remedy. If you write him at once you will doubtless be cured.

Lecture on Money Question. Congressman W. J. Bryan of Nebraska will lecture at the Hyperion theater to-night on "Bimetallism." Congressman Bryan is a member of the house ways and means committee and one of the leaders in congress. He is an entertaining speaker.

The cotton part cost more than the wool part, because, the makers say, it's made of an imported yarn. Same price, 39 cents for the all wool but it's not as good, because it won't wear as good. Both are equally springy in appearance and smart in style. We call it "Iron" Cloth.
